

**Form C – Core Direct Purchase Solarize Proposal
for Solarize Dummerston**

Bidding Installer(s): *Integrated Solar*

Small Business: The Solarize Dummerston Task force is committed to working with small businesses and farm enterprises as well as residents during Solarize. Please describe any experience you have working with customers of this kind. Include any concerns or considerations which might inhibit your ability to work with farms or small businesses during Solarize Dummerston.

We have worked extensively with small businesses and farms. We can help these folks evaluate their options, funding possibilities and the economics of these business transactions. Presently we are working with 2 farms and many small businesses.

Lawsuit Disclosure: Please identify any legal cases in which the installer is currently, or has been, involved with as a party in the past five years (excluding those that involve collections). Please state whether and how past cases were resolved. Discuss how any lawsuits may, or may not, impact the implementation of this Solarize Dummerston initiative.

None.
